Bachelors of Science, Anticipated May 2022

Major: Computer Science and Cybersecurity

Minor: Cognitive Science

AWARDS

Marist College Presidential Scholarship

RELEVANT EXPERIENCE

Website Designer (2017)

Furniture Assist

Fully re-designed the Furniture Assist website using PHP, MySQL, HTML, CSS, and Javascript. The new website will significantly increase the productivity of this non-profit organization.

Marketing Intern (2014-2017)

Advantage Marketing Consulting Services

Built WordPress sites, wrote blog posts, and created email newsletters, which often involved writing HTML code from scratch. Also assisted in client relations at several trade shows.

Student Technology Intern (2016-2017)

Union County Vocational-Technical Schools

Reached out to students and staff across the UCVTS campus and fixed technical problems on their devices. This job boosted my on-the-spot problem solving skills.

COMPUTER SKILLS

Operating Systems - Ubuntu/Linux, Windows XP, Windows 7, Windows 10, Android

Applications - Microsoft Visual Studio 2010 - 2018, VIM, Microsoft Office Suite, Google Drive Suite

Languages - C++, Java, PHP, HTML, Javascript, Python, CSS, SQL, Lua, Processing

VOLUNTEER EXPERIENCE

Project Lead (2018)

SBP - Columbia, SC

Worked with a diverse team to remediate, frame, drywall, trim, and paint six houses that had been made unlivable by flood damage. Over the course of five months, Guided over 500 volunteers safely through the construction process.

Relay for Life Participant (2013 - 2017)

American Cancer Society

Participated in this event in every year of high school. Raised over \$1,500 and clocked over 90 service hours in support of cancer research and aid.

ACTIVITIES

Member, Habitat for Humanity (2018-Present)

Marist College, Poughkeepsie, NY

Member, HuMarists Improv Group (2018-Present)

Marist College, Poughkeepsie, NY

Member, WMAR Marist College Radio Station (2018-Present)

Marist College, Poughkeepsie, NY
