The title is written in a pixelated, white, 3D-style font against a black background with small white specks representing stars. The word 'SPACE' is on the top line and 'CADDIE' is on the bottom line, with the letters slightly offset to create a sense of depth.

SPACE CADDIE

A small arcade-style shooter in which you defend against an onslaught of alien spaceships using your lasers and missiles. Aim your ship with the mouse and move using WASD. Left click to shoot lasers, and right click to shoot missiles. Navigate menus with the mouse. Created in the Summer of 2014.
